

CALAZZO

MOBY

BAR
TABLE

Description

The Moby Series is characterized by its slim and sleek lines made possible through the use of stainless steel and teak. Its understated elegance is functional and sophisticated at the same time. The beauty of the design is topped with high quality hand crafted construction.

The Bar Table is designed to seat 2-4 people comfortably and can be matched to our Moby Bar Stools or Sumo Bar Stools. Fully welded stainless steel base frame highlights the impeccable craftsmanship as well as ensuring a solid foundation.
