

CALAZZO™

OTTO OUTDOOR SHOWER

WALL MOUNT
DUAL SUPPLY

Description

The OTTO series outdoor shower is instantly recognizable by its elegantly U shaped neck on which the unique custom crafted showerhead is attached. With a twist of the handles, you'll be astonished by the showering experience. Measuring 14 inches in diameter and lined with precision drilled nozzles throughout the every section of the showerhead, your expectations are instantly transformed. Whether you are rinsing off the chlorine from the pool or sand and debris from a stroll at the beach, the OTTO outdoor shower is the perfect shower for your needs. The intensity of the water is controlled by the matching teak handle. An adapter is included for connection with a standard garden hose. The shower mounts easily to most vertical surfaces.

Features

- Dual Teak handles for Hot&Cold supplies; stays cool under the sun.
- Stainless Steel construction for sleek and clean appearance.
- Designed specifically for the outdoor environment; ideal for the beach or pool.
- WOG rated stainless steel ball valve.
- Mounts easily to most vertical surfaces.
- Commercial Quality design and construction.
- Supplied adapters for connection with standard garden hose.
