PILA OUTDOOR SHOWER

FREE STANDING
DUAL SUPPLY

Description

The Pila Series Outdoor Showers are characterized by its simple clean lines and elegantly designed shower head. It will transform your garden into a tropical paradise with our stainless steel shower with hand crafted teak base. The shower head is individually handmade with 48 precision machined nozzles to give you total control over the intensity of your shower with a twist of the teak handle. The perfectly sized teak base is assembled with stainless steel hardware for durability. Individual hot and cold controls allow for dual supply connection and perfect temperature control. An adapter is included for connection with a standard garden hose.

Features

- Slip & Mildew resistant Solid Teak base
- Teak handle (stays cool under the sun)
